

The background of the slide is a photograph of a rooftop infinity pool at the Fairmont Rio de Janeiro Copacabana. The pool's edge is perfectly aligned with the horizon of the ocean, creating a seamless transition between the water in the pool and the sea beyond. Several lounge chairs with light-colored cushions are arranged along the pool's edge. In the distance, the city of Rio de Janeiro is visible, including the Christ the Redeemer statue on a hill, all under a clear, bright blue sky.
